CLASSIFIED MARKETPLACE

EDUCATIONAL OPPORTUNITIES

GRADUATE PROGRAM IN GERONTOLOGICAL NURSING: The Dept of Physiological Nursing, University of Washington, offers Master's degrees in Gerontological Nursing. The program provides a strong base in physiology and pathophysiology with nursing courses in clinical specialization and primary care (gerontological nurse practitioner). The dept also offers program specialities in Oncology, Critical Care, Cardiovascular and Nervous System. For more information please write Mary Boozer, Graduate Program Advisor, Physiological Nursing SM-28, University of Washington, Seattle, WA 98195.

Gerontological

N U R S I N G A T R U S H

Staff and Leadership

The Johnston R. Bowman Center, a unit hospital of Rush-Presbyterian-St. Luke's Medical Center, located in Chicago, is a primary innovator in the growing field of gerontology. The home-like atmosphere of the Bowman Center treats patients with acute and chronic diseases, and sets realistic goals for rehabilitation. Our immediate and anticipated openings for staff and leadership are on the following units:

- **Medical**
- **Rehabilitation**

BSN required for all staff positions. New grads with a strong interest in gerontology will be considered. MSN required for all leadership positions.

Our salary/benefits package includes relocation allowance. For immediate consideration, call or send resume to: **Audrey Scislowicz, Professional Nurse Recruiter, TOLL-FREE (Outside Illinois) 1-800-621-4626 or COLLECT in Illinois 312-942-5957, Rush-Presbyterian-St. Luke's Medical Center, 729 South Paulina Street, Chicago, IL 60612.** Equal Opportunity Employer M/F.

Rush-Presbyterian-St. Luke's Medical Center
